

Springbank Prep Camps 2020/21

07/28/2020

Springbank Minor Hockey Prep Camps are combined packages separate from your hockey registration. The camps carry an additional fee per registrant and are non-refundable. These camps are subject to late fees if registration is after Aug 15th. Please refer to our [Refund policy](#) on camp(s) and take notice of the special considerations for COVID 19.

Prep Camps will be subject to capping and early registration is encouraged. **Camps will close August 21st. Last year we sold out in 4 days.**

Prep camps are professionally run by Global Sport Academy instructors in order to get registrants up to speed for our September Player Placement Program.

NEW SMHA is excited to introduce a pilot program for Goalie only prep-camps U11 to U18, these camps will be run by World Pro through Global the weekend of Aug 29th and 30th.** Goalies have the opportunity to attend the dryland portion with the outskater group. Further at the time of prep-camp registration Goalies will be asked to check mark a box (yes/no) to attend the outskater sessions, assignments to these sessions will be dependent on how many goalies agree to attend and will be assigned randomly by the AGC and Global there is no guarantee of placement.

All registrants for camps will be contacted by their Age Group coordinator closer to the dates posted below and a full schedule will be available on our website a week prior to camps starting

The registration link can be found on [Springbank Minor Hockey Website](#)
